

Industry Facilitation Centre (IFC)

“Points of Single Contact” through which business can obtain information, complete necessary administrative procedures and handholding support to obtain different statutory compliances and get relationship officers.

Many Micro, Small & Medium Enterprises entrepreneurs are not conversant with the relevant Acts and rules, compliances, application forms, and the location of government offices to submit the applications for approvals, certificates and licenses to start enterprises or to avail government incentives. Entrepreneurs were required to visit various offices to enquire, consult, and finally to submit applications. Apart from the running around, they often become victims of unscrupulous middlemen. Even after all this, more visits were required to be made to follow up and finally collect certificates or licenses. This remained one of the biggest challenges and a disincentive for entrepreneurs who want to start a new venture, diversify or expand.

Every district now has an Industry Facilitation Centre (IFC) erstwhile MSME Facilitation Centre (MFC) located in their respective area of operation. The IFCs are dedicated service providers on statutory compliances for an MSME entrepreneur. The IFC is tagged to the online Single Application Gateway (SAG) through <http://myenterprisewb.in> and acts as a single point to receive all applications made by an entrepreneur to various government entities for compliances and to avail government incentives.

The hands-on facilitation services provided by an IFC to Micro, Small & Medium Enterprises entrepreneurs include:

1. All information on statutory compliances needed to set up an enterprise or to avail government incentives.
2. Application forms of all kinds for required certificates, licenses, permission etc. relevant to MSMEs
3. A checklist of the documents to be attached with the application.
4. Hand-holding support to fill out the forms.
5. Thorough checking of the forms ensure they are correct in all respects.
6. Submitting the application to the government office by the IFC.
7. Answering any queries that a government office may have
8. Collecting the certificate/license on behalf of the applicant either in person or through single application / electronics mode.

These services are available online through SAG at <http://myenterprisewb.in>

DETAILS OF INDUSTRY FACILITATION CENTRE (IFC)

Sl. No.	Name of DIC/Sub DIC	Name of MFC	Address	Contact number	e-mail id of GM, DIC
